

Alpha Mu Delta of Chi Psi, Inc submits the following proposal to the TDS Grant committee: we request \$5,000 for the purpose of building additional permanent storage in the library of the Lodge and study corners in the living room of the building.

Currently, the Lodge has several closets unavailable to the live in Brothers as they are reserved for the campus facilities team. Building permanent storage would allow Brothers to live more comfortably and keep the Lodge organized and free from clutter.

Additionally, the Lodge has no private study space, and this money would allow for the purchase of study desks with barriers to be placed in an isolated corner of the backroom (living space) so that Brothers can have privacy and an area to study that is not their bedroom or another location on campus.

Alpha Mu Delta of Chi Psi, Inc is grateful for the committees' efforts, and we look forward to hearing decisions and additional feedback soon. Thank you all.
