On May 8<sup>th</sup>, 2023, Dead and Co. returned to Barton Hall after their famed concert at Cornell's Indoor Stadium in 1977. The Lodge hosted a pre-concert BBQ and over 50 alumni were present; six decades of Brothers were represented.

## From Alpha Psi's #1

The past year has been an extremely successful one for the Lodge. We had an amazing Parents Weekend which was attended by the majority of our active Brotherhood's parents. We also hosted two large concerts in our backyard with artists Dom Dolla and Bobby Shmurda. We have taken a class of 16 New Members for Spring 2024, who are all upstanding gentlemen and will become instrumental members of our Fraternity.

Our Brothers are extremely active on campus, holding leadership positions on the Board of Trustees, Cornell Student Assembly, the IFC, Cornell Student Agencies, and various professional and athletic clubs. I'd like to thank our strong Alumni network for continued support of our Alpha and give special thanks to Rich Kauffeld for his continued involvement in the Brotherhood. We are looking forward to sustained success this year and for many years to come!

## Alpha-Bits

### Intramural Sports

In the Fall, we assembled a winning soccer team. We also went undefeated in 3V3 basketball thanks to the competitive backyard games at the Lodge.

### Not Your Father's 'Hockey Pucks'

The Brothers are in love with Chef Ivy. She brings her magic to the kitchen 11 times a week in gourmet fashion. Many of the Brothers consider her dinners "not to be missed."

### Social Activities

The 2023 social calendar was a full one with Sorority events, Brotherhood BBQ's, 700-person concerts, Greek Peak skiing and Tree Day complete with an ice sculpture and Ivy's surf and turf dinner.
